This is to certify that Utsav Thakur has successfully completed an internship at Sentiment AI from 01/01/2026 to 01/03/2026.

During this period, he worked as a Full Stack Development Intern and demonstrated strong technical skills, creativity, and a high level of dedication toward assigned tasks.

He has been actively involved in the following projects and responsibilities:

- Designed and developed responsive and user-friendly web interfaces by translating design mockups and wireframes into high-quality implementations.
- Built dynamic and interactive web applications using modern front-end frameworks such as React.js and Angular.
- Ensured cross-browser compatibility and optimized applications for responsiveness and performance across multiple devices.
- Wrote clean, efficient, and well-documented code following best practices to enhance maintainability and scalability.
- Utilized version control systems like Git for effective collaboration and code management.
- Conducted testing and debugging to identify and resolve issues, ensuring smooth functionality of applications.

Throughout the internship, he exhibited a strong grasp of Full Stack Development technologies and tools, including:

- HTML, CSS, JavaScript (ES6+)
- React.js / Angular
- Node.js and Express.js
- RESTful API Development and Integration
- Git and Version Control (GitHub/GitLab)
- Web Application Debugging and Testing
- Responsive Web Design (Mobile-First Development)
- Database Management (MongoDB / MySQL)
- JSON and API Handling
- Basic Authentication and Security Practices (JWT, Sessions)
- Performance Optimization and Code Splitting

He has shown professionalism, a strong willingness to learn, and a commitment to continuous improvement, which significantly contributed to our development efforts.

We believe that he has a promising future in the field of Full Stack Development and we wish him all the best in his future endeavors.
